Public Notice – Environmental Permit

PURPOSE OF NOTICE: To announce a public briefing to provide information on a permit application to limit air pollution, to seek public comment on a draft construction permit, and to announce a public hearing on a draft construction permit from the Department of Environmental Quality for a major air pollution source in Cumberland County, Virginia.

PUBLIC INFORMATION BRIEFING: Cumberland Middle/High School Cafetorium in Cumberland, Virginia, on January 6, 2009 from 6:00 p.m. to 7:00 p.m.

PUBLIC COMMENT PERIOD: December 3, 2008 to January 22, 2009

PUBLIC HEARING: Cumberland Middle/High School Cafetorium in Cumberland on January 6, 2009 starting at 7:30 p.m.

PERMIT NAME: Major Source Construction Permit issued by DEQ, under the authority of the Air Pollution Control Board

APPLICANT NAME AND REGISTRATION NUMBER: Cumberland County Development Company, LLC (CCDC); Registration No. 32076

FACILITY NAME AND ADDRESS: Cumberland Landfill; 1.5 miles south of Rt. 60, approximately 6 miles east of the Courthouse in Cumberland County

PROJECT DESCRIPTION: CCDC has applied for a new permit to construct the Cumberland Landfill. The facility is a municipal solid waste landfill.

The proposed facility is classified as major source of air pollution. The maximum annual emissions of air pollutants from the facility under the proposed permit are expected to be: 226 tons per year (TPY) of carbon monoxide, 141 TPY of non-methane organic compounds, and 91 TPY of nitrogen oxides. The technology that will be used to control the air pollution from the facility is flaring of the landfill gas. The estimated effect on air quality near the facility from the proposed project complies with all applicable standards.

HOW TO COMMENT AND/OR REQUEST BOARD CONSIDERATION: DEQ accepts comments and requests for Board consideration by e-mail, fax or postal mail. All comments and requests must be in writing and be received by DEQ during the comment period. Submittals must include the names, mailing addresses and telephone numbers of the commenter/requester and of all persons represented by the commenter/requester. A request for Board consideration must also include: 1) The reason why Board consideration is requested. 2) A brief, informal statement regarding the nature and extent of the interest of the requester or of those represented by the requestor, including how and to what extent such interest would be directly and adversely affected by the permit. 3) Specific references, where possible, to terms and conditions of the permit with suggested revisions. Board consideration may be granted if public response is significant and there are substantial, disputed issues relevant to the permit.
